

I just wanted to say thank you for the wonderful care that you all gave to over the years. I really appreciate the care and understanding of her illness and her personality!

There were some great bonds made and I will never forget your support especially during the last few months.

To a wonderful team who made and myself part of the 'St Cecilia's family' I will always be grateful

To all at St Cecilia's

Thank you all for looking after our dear Mom. The care you gave was wonderful, and that's why this note comes together with a present, to say thanks for all you've done

Just to say a big thank you for the continuing care & support that you've all shown

Our Aunt shared several years with you and we know she was as happy and content as she could be.

This meant so much to us who loved her and we thank you all so much for the kindness, thoughtfulness and special care you gave her always.

MAY I TAKE THIS OPPORTUNITY TO THANK ALL THE STAFF AT ST CECILIA'S FOR THE CARE PROVIDED SINCE MY MOTHER BECAME A RESIDENT WITH YOU

MY FATHER WISHES TO EXPRESS HIS GRATITUDE TO PARTICULAR FOR HER SUPPORT DURING THE LATTER STAGES OF MY MOTHERS LIFE. IN

I HAVE ALWAYS BEEN VERY AWARE OF THE DEMANDS MY MOTHER PLACED ON ALL CONCERNED AND I KNOW THAT YOU ALL DID EVERYTHING THAT COULD BE DONE DURING THE MOST DIFFICULT PERIODS

To all the staff
Words seem so inadequate
to express the deep thanks I feel for the
love and care you gave especially
her last week, no one could have cared
for her better.

Thank you also for looking
after me and my family, it meant
a great deal to us, at what could
have been a very difficult and
distressing time instead it was
a comforting and rewarding time
as we were able to share in
the caring of Auntie in her last
days, you took care of all our
needs, being able to have a bed and
stay, to share your food, the chats,
the laughter and your kindness
were wonderful
